

Year 2

This week we have been looking at Rules in RE.
Liepa completed an excellent piece of work on a reading
based on Colossians 3: 10-17

She explained what she liked in the text, what she found hard to do and then
was able to link a story from bible and explained how Jesus might find it
hard to forgive Judas but he did forgive him.

This is an amazing
piece of writing.
Well done.

Shawn has been learning the months of the year and he has also been practicing his handwriting.

For getting 24/25 (24 ½)
in his arithmetic test

Our Year 2

superstar in Maths this week,

is

Ethan

Well done
