

This week in year 6 ...

During History children learnt about Sparta and Athens(different city-states in Ancient Greece). Pupil's had to write an argument about which state is the best and why. They then had to face their opponent (Athens vs Sparta) saying why they chose their state.

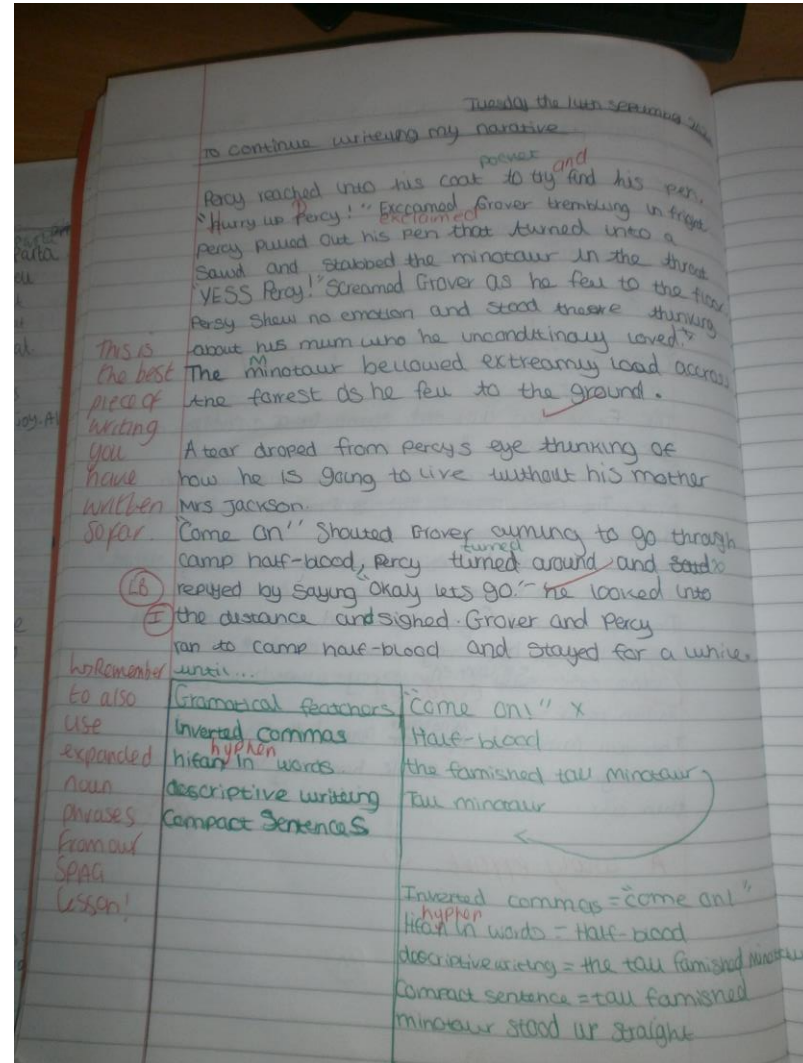

Here are some examples of their plans and arguments ...

Ife and Larrence

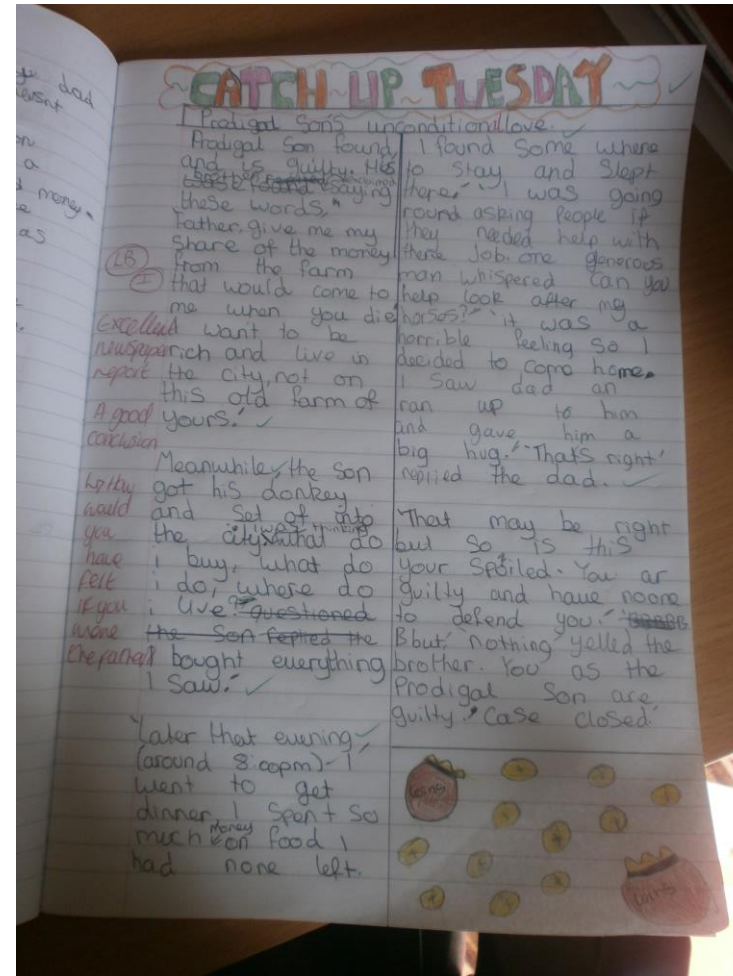

In Literacy we have been focusing on writing narratives; making sure we use speech marks appropriately.

Super happy with Imogen's progress in regards to her writing!

Our topic for RE is Loving. We have been learning about unconditional love. We looked at Luke 15:11-32 (The Prodigal Son). We then composed newspaper reports.

Frankie

Amarachi has worked super hard this week in all lessons, but in Maths WOW! Amarachi learnt how to write three digit numbers in words.
