

Year 3

In Maths this week, we have been remembering how to use a number line and how to work out missing numbers.

1 Complete the number lines.

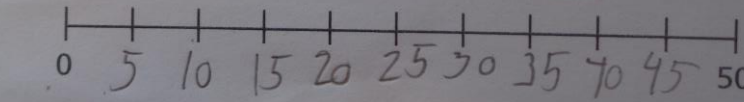

a) 

b) 

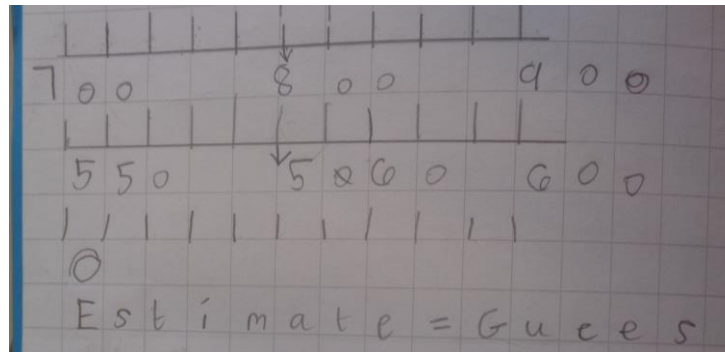

c) 

2

Ron  I think this number line goes up in 5s.

Special mentions to Aaliyah & Craig for trying really hard with working out the missing numbers!

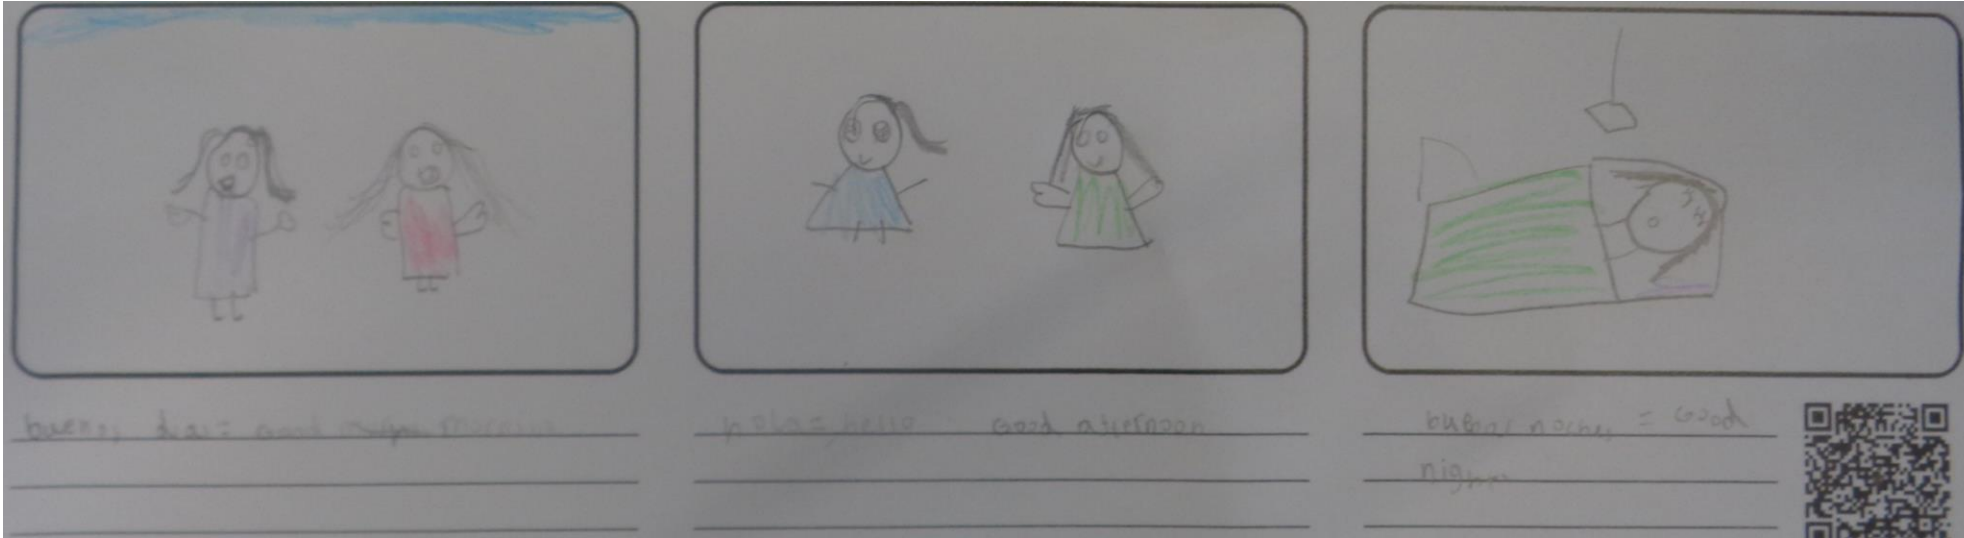

700 800 900
500
Estimate = Guess

In English, we are reading- **How to wash a woolly mammoth.**

We have read the story and then tried to put the pictures in order. It was a little tricky, but we got there in the end!

In Spanish, we have been practising our greetings.
We then turned them into comic strips.

Toyosi and Faizah's work.

Hola!
Buenos Dias
Buenas Tardes
Buenos Noches
