

Well done Reception –
another great week!

You are all trying your best to
be kind to your new friends
and do super listening! You
have also been so grown up
at lunchtime, sitting at the
big tables and trying new
foods! Well done 😊

A Special well done to Grace - you have had a super week. You have played with lots of different children, tried really hard to make new friends and been really helpful when tidying up! You have also been super kind to everyone around you and have been really brave when trying new things! Keep it up!
