

Year 3

In Science, we have been looking at how a mirror reflects the light and practising writing using a mirror. We had to write words and try using a mirror to write how it looks when reflected by the mirror.

A mirror shows YOU YOURSELF
 Pencil - kishik
 Paper - kishik
 Chair - kishik
 Table - kishik
 Book - kishik
 Pen - kishik
 I went to school

do-I can use a mirror to reflect
 explain how mirrors work
 A mirror is something you can
 in and it shows what you can

Can you try reading our messages?

THIS IS A MIRROR WRITING SAMPLE.
DO YOU THINK THIS IS A GOOD WAY
TO HIDE THE SECRET MESSAGES?

Now you try it.
looks like!
Mirror writing
This is what

In art, we have been understanding more about using watercolour paints. We have been practising the technique and experimenting with different strokes.

Our artists this week are: Aaliyah, Ethan, Karen and Alison.

We have been working hard to improve our handwriting and presentation skills this week. Well done to the following students who can now use pen in their work- Liepa, Eloghosa and Tofunmi.

We have also really enjoyed our forest school session this week. We split into groups and were able to practice lighting a fire, decorating stones and making hot chocolate! Thank you to Miss Rosie.

We managed to have 8 students light a fire this week, including Shawn, who managed it by himself!

Three students were identified as being so helpful, polite and very thankful to Miss Rosie for giving them new experiences. They were Tobi FJ, Mihnea and Patricia.
