

Year 3

Maths

We Are Amazing!

This week in Math we are learning about fractions and focusing on tenths. The students have done an incredible job, looking at tenths as a fraction and a decimal. Amazing Mathematicians in Year 3

Science

We Are Curious!

We began our new focus in Science; All About Plants! This week we identified the different parts of plants and each of their roles, which we used to create our own flipbooks. We had a POP Quiz the next day and did an incredible job remembering each of the roles! Well done Year 3!

What Jobs Do They Do?

Stem or Trunk

What is a stem or trunk?
Branches, leaves and flowers grow from the stem or trunk.

A trunk is woody, and often has a layer of bark around it.

What job does it do?
The stem or trunk holds the plant up.
It also carries water and nutrients from the roots to the leaves.

Year 3 Awards!

Students of the Week

Emmanuel and Tofunmi

Math Award

Mihnea

Well Done Award
