The Great Bake Off

We Are Baking Champions!
This week we created our class cookies for the Queens Bake off. After the idea of crocodile cookies was changed, we created the absolute best Coronation Crown cookies! They looked and tasted delicious! School winners maybe? Probably!

Forest School

We Are Gardeners!

This week we were SO excited to go back to Forest School with Miss Rosie. We checked our class plants, which have been growing really well and then we began some whittling. It was a lovely lesson in the beautiful sunshine.
