

## **RE**

You are going to plan and write a prayer to God to give thanks for your Christmas.

Questions to consider:

What would you like to give thanks for in particular? Your health, your family, spending time together?

Make your notes first.

Spend 2 minutes in a reflection, thinking about your time over Christmas as you spend time with God.

A minimum of two paragraphs needs to be written. Make sure you read through your work, check and correct.
